Room MF-B555, Van der Boechorststraat 7, 1081 BT Amsterdam

EDUCATION

Vrije Universiteit Amsterdam

Ph.D. in Social Psychology

Department of Experimental and Applied Psychology

09/2018 - 09/2023

Amsterdam, the Netherlands

Southwest University

M.Sc., Basic Psychology: Social Psychology

Faculty of Psychology

09/2014 - 08/2017

Chongqing, China

Valedictorian

Chongqing University

B.Sc., Applied Psychology

School of Public Policy and Administration

09/2010 - 08/2014

Chongqing, China

Honored Graduate

EMPLOYMENTS & ACADEMIC EXPERIENCES

Vrije Universiteit Amsterdam

Post-doc Research Fellow

Department of Experimental and Applied Psychology

09/2022 - Present

Amsterdam, the Netherlands

University of Kent

Visiting Researcher

School of Psychology and Centre for the Study of Group Processes

03/2022 - 04/2022

Canterbury, the U.K.

Beijing Transportation Development Research Institute

Adjunct Behavioral Data Scientist (Freelance)

Non-motorized and Sustainable Transportation Research Group

12/2019 - 01/2020

Beijing, China

Southwest University

Research Assistant

Faculty of Psychology

09/2017 - 08/2018

Chongqing, China

SELECTED JOURNAL PUBLICATIONS AND PRE-PRINT(S)

- **Fan, L.**, Molho, C., Kupfer, T. R., Sauter, D. A., & Tybur, J. M. (In press) Beyond outrage: Observers anticipate different behaviors from expressors of anger versus disgust. *Social Psychological and Personality Science*. (SSCI Q1, Journal IF = 5.316, 12/66 in Social Psychology)
- **Fan, L.**, Van Lange, P.A.M., & Tybur, J. M. (2023) Pathogen disgust sensitivity but not explicit disease concerns predicts immigration attitudes during a pandemic. *Pre-print available at PsyArXiv*.
- **Fan, L.**, Tybur, J. M., & Jones, B. C. (2022). Are people more averse to microbe-sharing contact with ethnic outgroup members? A registered report. *Evolution and Human Behavior*, 43(6), 490-500. (SCIE & SSCI Q1, Journal IF = 5.327, 3/55 in Behavioral Sciences, 2/17 in Biological Psychology)
- Tybur, J. M., **Fan, L.**, Jones, B. C., Holzleitner, I. J., Lee, A. J., & DeBruine, L. M. (2022). Re-evaluating the relationship between pathogen avoidance and preferences for facial symmetry, and sexual dimorphism: A registered report. *Evolution and Human Behavior*, 43(3), 212-223. (SCIE & SSCI Q1, Journal IF = 5.327, 3/55 in Behavioral Sciences, 2/17 in Biological Psychology)

OTHER JOURNAL PUBLICATIONS

- Molho, C., Twardawski, M., & **Fan, L.** (2022) What motivates direct and indirect punishment? Extending the "intuitive retributivism" hypothesis. *Zeitschrift fur Psychologie*, 230(2)
- Tybur, J. M., Lieberman, D., **Fan, L.**, Kupfer, T. R., & de Vries, R. E. (2020). Behavioral immune trade-offs: Interpersonal value relaxes social pathogen avoidance. *Psychological Science*, 31(10), 1211-1221.

- Long, C., He, M., **Fan, L.**, Qiao, S., Pan, R., Wang, Y., & Yang, Y. (2017) Effect of community group counseling on cognitive ability maintenance in community empty nesters. *Chinese Journal of Modern Nursing*. 23(7), 942-945.

Excellence in Research Award <i>Annual junior researcher (Ph.D/Postdoctoral fellow) award</i> By Section of Social Psychology, Vrije Universiteit Amsterdam	2023
Doctoral Fellowship <i>Morality and Emotions: Expression, Perception, & Response</i> By China Scholarship Council & Vrije Universiteit Amsterdam	2018 - 2022 EUR 64,800
Visiting Grant for Oversea Study/Research <i>VU FGB Talent Grant for PhD Candidates</i> By Faculty of Behavioural and Movement Sciences, Vrije Universiteit Amsterdam	2022 EUR 4,000
SeedCorn Research Grant for PhD Candidates <i>The Moderation of Facemask Wearing on Outgroup Bias in Economic Trust</i> By Kurt Lewin Instituut	2021 - 2022 EUR 2,800
Conference Travel Grant <i>Moral Emotions and their Impact in Moral Punishment (Conference cancelled)</i> By Pan-Asian Symposium on Morality, Character and Wisdom	2019 USD 1,000
Provincial Funding for Higher Education Research <i>Undergraduates' Aggressive Cognition and its Educational Countermeasures</i> By Chongqing Academy of Education Science, Chongqing Municipal Government	2016 - 2020
Post-graduate Academic Scholarship (1st Class) <i>Post-graduate Scholarship</i> By Southwest University	2014 - 2017 CNY 24,000
Undergraduate Student Research Training Program, Research Grant <i>Group Decision-making in the Process of Legislation</i> By Chongqing University	2012 - 2013 CNY 1,000

ACADEMIC SERVICES

Campus Representative <i>Association for Psychological Science Student Caucus</i>	2021 - Present
Social Psychology Brown-bag Talk Series Host <i>Department of Experimental and Applied Psychology, Vrije Universiteit Amsterdam</i>	2022 - Present
Ph.D./Post-Doc Researcher Meeting Organizer <i>Department of Experimental and Applied Psychology, Vrije Universiteit Amsterdam</i>	2019 - 2022
Caryl Rusbult Master's Thesis Award Committee Member <i>Department of Experimental and Applied Psychology, Vrije Universiteit Amsterdam</i>	2021 & 2022

Currently a member of the following associations:

Institute for Brain and Behavior Amsterdam (iBBA); Kurt Lewin Instituut (KLI);
Associatie van Sociaal-Psychologische Onderzoekers (ASPO); Open Science Community Amsterdam (OSCA);
Cognition, Behavior & Evolution Network (CBEN); Human Behavior and Evolution Society (HBES);
Association for Psychological Science (APS); Association for Psychological Science Student Caucus (APSSC)

Currently a reviewer of the following journals:

Social and Personality Psychology Compass (SPPC); British Journal of Social Psychology (BJSP); Scientific Reports

TEACHING

Courses

- Power and Social Influences.
B.A. Program of Psychology. 6 ETCs. Course Co-developer.
- Open Science and LMER in Social and Behavioral Sciences.
VU Winter/Summer School. 3 ETCs. Course Developer and Coordinator. (Cancelled due to COVID-19)

Workshops

- Linear Mixed-effect Regression and its Power Analysis. (April, 2022). *PhD Workshop*. School of Psychology, University of Kent.
- Linear Mixed-effect Regression and its Power Analysis with SimR. (October, 2021). *PhD Workshop*. Department of Experimental and Applied Psychology, Vrije Universiteit Amsterdam.
- Structural Equation Modeling and Growth Curve Modeling for Cross-sectional and Longitudinal Data. (October, 2016). *Post-graduate Workshop*. Faculty of Psychology, Southwest University.

Supervision Bachelors' Theses

- Exploring the Distinct Function of Moral Disgust: Disease Susceptibility, Agreeableness, Disgust & Third Party Punishment Outcomes. (July, 2020). *Jeroen Kolster*. Vrije Universiteit Amsterdam.
- Morality Stepping in: The Role of Moral Disgust, Honesty-Humility and Sex on the Third Party Punisher. (June, 2020). *Maaïke Dirkse*. Vrije Universiteit Amsterdam.
- The Effects of the Corona-Pandemic: An increase in Moral Disgust and Perceived Vulnerability to Disease. (July, 2020). *David Noordberg*. Vrije Universiteit Amsterdam.
- Perceived vulnerability to disease, education levels, and ethnocentrism. (July, 2023). *Dilara Bilgiç*. Vrije Universiteit Amsterdam.
- Political Ideology predicts Xenophobia. (July, 2023). *David Mukantagengwa*. Vrije Universiteit Amsterdam.
- Outgroup Disgust: The Relation with Vulnerability to Disease and Sex Differences. (July, 2023). *Lieke Jagt*. Vrije Universiteit Amsterdam.
- The Mediating Effect Of Age On The Relationship Between Perceived Vulnerability to Disease And Inter Group Disgust. (July, 2023). *Allard Buffing*. Vrije Universiteit Amsterdam.

LANGUAGE & GENERAL SKILLS

- **Languages:**
Manderine (native), English (C2), Dutch (A1)
- **Software:**
Data Analysis: R, SPSS, JASP, Matlab (for fMRI data analysis and agent-based modeling)
Surveys: Qualtrics, WJX (for data collection in Mainland China)
Experiments: Gorilla, PsychToolBox, E-Prime
Web & Graphic Design: Wordpress, Illustrator, Photoshop, Premiere Pro
